

Task 1 Dear Nick, I heard that our school will organize a concert in the school hall. Because I'm very excited, I want to help with the concert. I like Pop music and i think that everybody like too. I have known may Pop songs. I want to choose the best songs for school concert. I want to makeup for singers and sing a song in the concert. I can do everything to help with the concert. When am I free to come to a meeting about the concert? . I'm free all day. Call me if you need some helps. Sign. Thu Hao

Task 2 There are several way to keep in shape; in my opinion, going to gymnastic center is the most effective. First of all, a lot of modern equipment are served for meet the variety demand of people, regardless of age. Only with a small monthly fee, you can come there and concentrate on gain your fit body without being afraid of bad weather. Secondly. this is a good chance to win friends. who knows you will see a friend you find attractive or even a your future beloved. or even find help when necessary. Having more friend is always interesting. last but not least, at fitness center, you are guided by professional trainer to exercise properly
