

Task 1 Hi Linh! Because I can't be at the railway station when my father arrives, thank you for helping me to meet him for me. Here are some details. My father is about 170cm height, and he is slim, too. He also has grey hair and beard. He is going to wear a green polo shirt and a pair of jeans. Oh, and he is going to wear a blue beret, too. It takes three hours to go from Hue to Ha Noi by train, so my father is going to arrive in Ha Noi at about 5 p.m. Thank you so much Your friend Huong

Task 2 Fashion style is one of the first thing some one will notice when we first meet them. It also affects the way they think about us. In my opinion. I prefer casual style to formal style. I always attach much importance to the convenience of clothes I wear because I am a captive person. I do a lot of things in the day time and clothes which belong to casual style makes me feel more comfortable. For example, between a pair of jeans and a skirt, I definitely will choose jeans because I can walk or run easily while wearing them. Sandals or sneakers
