

Task 1: Dear Trang, I am writting this letter to tell you about my visit to a zoo. Last weekend, my sister and I went to the zoo which is near my house, it is Thu Le zoo. There were many wild animals that I have never seen before, such as tigers, crocodiles, peacocks,... The rules of this zoo prevent visitors from feeding the animals, so I just could take a few pictures of them. Despite that, I found this visit was fabulous. I hope one day I can take you to this place and bring you new knowledge about wild animals. I am looking forward to hearing from you soon. Your faithfully, Nguyet Anh

Task 2: It has been debated that theme parks are the best place for teenagers to play nowadays. In my opinion, I strongly support this idea and the reason will be explained in this essay. First of all, theme parks provide wide ranges of entertaining activites to adolesence. It is known that the young enjoy joining effervescent activities. In the theme parks, there are many games that meet their need. For example, Bao Son Paradise is a place that lots of young people often play in because they can feel the risk from risking games or the comfortable atmosphere from outdoor activities. Secondly, the entrance price for a person to come in a theme parks is reasonable. It costs only a few thousands dong, which is possible to be paid by teenagers because they do not have much money. This aspect is the one that encourages more and more young people to go. Last but not least, theme parks provides unite and friendly environment for the young. They will not be afraid of dangers, in stead of that, they can freely make friends or just chat and play with their friends. To sum up, I firmly recommend theme parks as siutable place for the young to play in nowadays.
