

Task 1 : Dear Linna How are you ? sad because my birthday, you can not go dressed
His birthday was organized family, I'm happy What I liked most is that you can now
do we go on the sea, and walking in the mountains, with seafood and photographed
together A friend gave her two tickets to participate in the beach music festival
Hopefully Linna will leave early, I really miss you and wish you on with your next
vacation bye Linna Linh Task2: fly tourists always costly and dangerous Today, the
demand for travel and tourism the country becomes more practical. Means for people
to quickly and easily use the most is the aircraft. It helps you go back a lot of
water in a short time. however, the aircraft also brings a lot of costly and
dangerous. First, the fare is very expensive. You can buy air tickets directly
through the airlines or through agents, usually purchased through dealers or buy
some time before the price will be cheaper. The poor, they never once dreamed he
would set foot on the plane. Airfares includes a lot of services, costs, ... To fly
require customers to always tighten the seat belt to make sure the incident occurred
while bay. Trong when the flight can often bypass the safety instructions before the
flight, knowing how to operate operating safety devices, locate the nearest
emergency exit and follow the instructions of the crew in case of an emergency is
critical. MH370 aircraft crashed last year. Has made many people very worried for
the people on the plane and they also worry more when flying. Safety when flying is
extremely important. People need to understand all the golden rules for a successful
flight
