

Task 1: dear Lyli. how are you. i am writing to tell you about ours plan. i think on the next friday we can walking on the park near your house. there is the great place to walk on the morning. in addition to, there have many tree and i like it. i will wear a T-shirt and short. i think we shout bring some fruit and water . i will bring some fruit and you is another. do you agree with me ? what do you think about ours plan? write to me as soon as you can. thuy Task 2: for me, i thing is wrong opinion. first, traveling opens your eyes, broadens your mind, help you to keep things in perspectives. Seeing the world and the way others live is the only way to truly understand and appreciate your own life, or seek to change it. second, you will experience new things and learn about different cultures, different people, different food, different languages, different ways to. thirth, you're not curious enough, at least your will learn about yourself. fourth, couples like to go on travel because it will enhance the relationship because they will have a lot of sweet experiences when they have their footprints in a romantic place. finally, traveling will continue to enrich the minds of people.
