

TASK 1: Dear Ally, I am glad to receive your note. It is a pity that you could not come to the party yesterday because it was a great one. At the party last night, a lot of friends and my family were there. We danced, drunk until midnight, together we had a plenty of times, I absolutely remembered that beautiful memories. Also, I received lots of gifts from everyone such as a kitty, new clothes, shoes or even a gorgeous necklace. They are all beautiful presents that I have ever had. I hope that you will come to my birthday party next year. Love, Lien

TASK 2: Recently, there has been a lot of ideas about "the ideal house". Some says: "An ideal house only needs to be large". In my opinion, I think large is not an important thing to have an ideal house. Ideal house is a house where you can relax, be happy and comfortable. Hence, you may have it not only in large house. For instance, in fairy tale has one, named: "Bach Tuyet va 7 chu lun". They lived happily together in a wooden house. To sum up, it is not a big thing that we all need a large house to be happy.
