

Hi Chris, I regret coming to the party last night with you because I had to do house work with my mother. I can meet you on this saturday. I want to go to the Hoan Kiem lake. we will eat ice-cream together. then we will go to the zoo to see animals and walk around the zoo. Then I want to invite you to go to the cafe and we can chat with other friends. I looking forward seeing you on saturday. love, Tiep
