

Task1 Hi Eric How are you? I am glad we have dinner together. After finishing his work at six o'clock in the afternoon I would go straight home. I'll be home at seven o'clock. I want to eat beef with vegetables and salads. You also do add your favorite dishes. Look forward to receiving your feedback. Love you. Nhung Task2 Should not keep animals in zoos. There are many zoos are considered "prison" - a captive animals with bad captivity. Animals usually trapped detention lower life expectancy than in the natural environment. Them captive animals for profit should just stuff animals. When putting the animal in a zoo, but very good living conditions, there is nothing dangerous, but they do not adapt, thereby affecting their proliferation. No proliferation will lead to reduce the number of individual species. Please protect animals.
