

task 1: Hi Lien, I just read your message . I'm glad you have such a great idea . Unfortunately too , maybe I did not join in the fun tomorrow with you is because I had an appointment in advance with the Netherlands to dinner . In my next new cafes are opened , they have deals on a very special , also look attractive dish . We want to enjoy it because grinding is the deadline . I have this idea , if you can go out to eat with us , and move on to the swimming calendar a nice day , you see how ? I hope you soon get the message and wait for your feedback . Love friend, Quynh Task 2: Friend is something sacred in each of us . Nguwoif are always next to me shared everything. They are people who listen to my talk .
