

Task 1: Dear Paul, I think I'll catch the bus to your house. It only takes 30 minutes and I will meet you at 9.00 am. Let's go for a movie. We'll find a romantic movie or fiction movie. And I know a new Japanese restaurant in your area. Food in there is really good. What do you think if we have a cup of coffee after lunch? I'm really looking forward to seeing you soon! Love, Phuong Anh
