

Task 1. Dear Lan, Thank you for your invitation letter to go swimming tomorrow. So i'm very sorry i got another appoitment. I think, we can take another day to go swimming together because it took so long time we have not met each other. Besides, i'd love to go swimming, especially on the hot summer. If i'm still busy on next week, we will get other week for swimming, ok ? That depends on your decision. Please, inform me soon at least a week. We can meet at your place. Please, give my best regard to your family. Yours. MyAnh

Task 2. Friends are very important in our life. Since our chilhood, growing ages until becoming old people, at any time, friends are needed in our life. In our chilhood , friends we often got in the king degarten helped us not only in school but also played tpgether us. In growing ages, we are needing more and more friends to help one another in learning, playing together ... Especially, in the starting up carrier, friends are the most important in this stage. hey give us their friends, their fun business.
