

Task 1: How are you? I hope you are well. Today I have taken pen and paper to write you about an interesting event. Few days back I had paid a visit to THU LE zoo. You know that during last vacation I went to visit my uncle's house in Hanoi. I, my parents and my uncle went to visit THU LE. After buying entrance ticket, we entered the zoo. At first, we saw the cages of monkeys. They were playing with the visitors. There were tigers, elephants.... We spent the whole day in the zoo. We returned home with a happy mood. Don't forget to write to me. Lovely Hang
