

Task1: Dear John, I'm glad to tell you about Micky- Yoochun. He's a best singer . I saw Micky at Hoa Binh park last week. He went for a picnic with his family. There were five people in there. At first, they camped a tent. The next, they cooked a dinner. At that time, I took a photo with Micky and invited him to go my party. At last, I said good bye his family. I felt happy and wonderful. I love my idol very much. I am looking forward to receiving your reply. Love, Quyen

Task2: Making phone calls is the best way of communicating. I don't agree it. Because, there are many ways of communicating. The second, making phone calls can be harmful for you. In my opinion, they can communicate by face to face instead of making phone calls. Many problems can't be solve when we don't meet. Making phone calls will misconceive If they explain clearly. Therefore, you shouldn't make phone calls too much. Moreover, Making phone calls can be harmful for our healthy. All day, you don't go out and meet friend, you only make phone calls at your home. It makes you stress. Instead of making phone calls, you should chat with friend at the coffee or city park. This places helps you feel comfortable, relax when the conversation takes place. You can talk and chat with your friend by face time, zalo and web. There are a lot of the ways of communicating. You should try it. Futhermore, making phone calls affect your ears. It's not good for you. We should protect our ears. Healthy is gold. In conclusion, making phone calls isn't the best way of communicating.
