

Hi Loan I went to the zoo on Sunday last week. There was great! I went to the zoo with my family. At the zoo, I took a lot of beautiful photos and I saw the wild animals. Example: Elephant, tigers, bears,... and many animals. The zoo very nice and has a lot of games. I have been playing many fun games. I felt so happy and good day. I hope so will go to the zoo with you -Theme parks are the best place for teenagers to play nowadays, I think that true. Because, the park is largest and park with many trees and cool. The park is very suitable for teenagers to play sports games such as badminton, jogging, volleyball. The air is fresh in the park, so suitable for youth after school to relax tensions. In my opinion, theme parks are the best place for teenagers to play nowadays
