

Task 1: Dear Chris, I'm so sorry because I can't come to the party last night. Yesterday, I feel quite tired. Yesterday morning, I had take care of my young brother and clean my house. Next to, I have visit my grandparents and play with them all day. So, I feel not strong and I need rested. But, I quite free on Saturday so I think we can meet and I think we should go to the zoo. Love you, Nga. Task 2: Look after the planet is protect our life. The first reason is that plant provide us air. Unless the plant, we hadn't air to breathe. Beside, keeping the planet clean is also a way to protect the planet. If we littering indiscriminate, environment will be contaminated, induce we can be sick. We need prevented the factories and facilities discharged polluted into the river. Lastly, the goverment should be a laws to punishment anyone affect the environment. The Earth is our.
