

Task 1: dear Alex. My name is Cham. This year I had just turned 20 years old. My family has 5 people, I have two sisters and I was the youngest in the family. My hobbies are shopping, reading and singing. In addition I also like to play it again. It's a litter about me , glad to be acquainted with him. I send an email to Alex then that. Read the email and answer me, please. Love you. Cham Task 2 : How about you take your holiday in the moon and space? And I , I think that would be very interesting. Then we will discover more about the moon and space. We know how big the moon, not the pass anymore glass binoculars, and whether it can stay more enjoyable stay elsewhere how.
