

Task 1: Dear Alex, I am very happy to be friends. How are you? Now I'm 19 years old. And you? I'm a student of Hanoi Metropolitan University. In the future, I will become a teacher who teach primary school. I'm very happy about it. In my family, there are 5 people. I have got one younger sister and one elder brother. My family is closest. My favourite hobby is singing. I can sing every time and everywhere. I love country music and I can sing many song about kind music. Please tell me what about you. Wish you have a nice day. I wish received email from you. Phuc Task 2: I think the Moon and the space will be exciting place to rest in the future. Currently, no one thought would be up on the Moon to rest. I wish I wough be the first to get to the moon. It hardly interesting. People are very smart. There was nothing that they did not do. In the future, People can bring the equipment to the moon to build tourist resorts, swimming pools, shopping centers, ... Humans can produce the planes go to the Moon ease. Not only is traveling around the country again, but also to the more interesting places. But to implement it needs a long time. People need to study hard. I believe, in the future, people can travel to the Moon.
