

Task 1 Hi Sam ! I'm so sorry because it can't not to go swimming with you in tomorrow night. I need going to house my sister. But we are meet at 2pm in the Saturday and went to visit National Park. See you saturday. Task 2 Someone said " Friends are important in our life ". Yes, I do . Because I have family , loved ones ... And for me friends as well as family are important in my life. Friends is special , they are share things that one can not tell the family and keep each other's secrets. I have friends in high school and its is great friends. They are help me in lots for work study and life. They are best friends for me.
