I was happy so I received many gifts and wishes from people. My mother made a pink birthday cake for me. We all sang "Happy Birthday" which i blew out the candles and cut the cake. We clapped out hands eagerly. It ended at 8pm. Task2: I supposed that an ideal house only needs to be large because of several reasons. The first reason is that people have many space to live. Exemple, It have many rooms: living room, kitchen, bed room... Each member of family need own room. The second is that The most important thing for me ,would be the views and the garden,with trees and a lot of flower. Our chirdren can play games and sports in everyday. Your healthy is good. Athought we have a big house, we don't live our loved people that our life very boring. We need how to love and compasion our family. That is meaning for you.
