

Task 1: Hi Lan. Sorry for not being able to pool with you tomorrow night because I had a dinner with my family. Why don't we leave the appointment to another day? This week i'm free on every afternoon and saturday evening, sunday evening. We can go swimming or go to the movies. Please tell me what day you free. Bye Lan, see you later.

Task 2: A true friendship is the most precious gift of the life of persons involved in it. A person is called very lucky having true friends in his/her life. True friendship gives us memorable, sweet and pleasant experiences of many types in the life. Friendship is the most precious asset of one's life which he/she never wants to lose. True friendship leads two or more persons involved in it towards success without any demotion in life. Searching a best friend is not an easy process, sometimes we get success and sometimes we lose because of misunderstandings to each other. Friendship is a devoted feeling of love to which we can share anything about our life and care for each other always. A friend is someone who understands and appreciates other one without any exaggeration. True friends never becomes greedy to each other instead they want to give something better to each other in life. There are any boundaries or differentiation of age, caste, race, creed and sex exist between them. They know the realities of each other and live satisfactorily by helping each other. Human is a social being and cannot live alone; he/she needs someone to share his/her feelings of joy or sorrow. Generally, a successful friendship exists between persons of same age, character and background. Friends are the loyal support for each other who aimlessly support during bad moments of life.
