

Task 1: Dear Spencer, That sounds great. We can go to the Pizza Hut. My friends say that the food there is great. Please pick me up at 6.30. You can park the car in front of my house. Love Tu. Task 2: In my opinion travelling alone is a great way of life. First of all, the best thing about travelling alone is that you get to do what ever you want to do. Secondly, you don't have to deal with regular dramas that your friends make. Thirdly, you can try anything that you want to do, there's no one there to stop you. And last but not least, being out of your comfort zone and your everyday expectations of yourself is a fantastic thing as it open up a whole new way of thinking and seeing the world. Travelling helps you learn more about yourself and what you are capable of.
