

Task 1: From: Sam To: Trang Hi Trang! How are you. I'm miss you so much. Today I write to you to tell a story. I have got a new music CD. My favourite band is Beast. I also listen to music of their every day. it's a great band. They are very talented. They have a great personality and they is a mirror that I need to follow. Every time, I feel hopeless, they are motivated to help me overcome. I love them because their music and people. I hope you will listen to their music. Wonderful, if we could meet and enjoy their music. See you later. Love. Sam Task 2: Anyone love shopping , it's very funny , interesting and helping body to feel relax . But shopping online is better than going into shops ? I don't think so . I go to store to check size , stuff to agree with myself . May be i like do it . Next , shopping online is very user-friendly , save energy , we can order anything so don't go shop . Then someone will ship our house , but i can't have better choose than go into shops . If someone ask me shopping online or going into shop , i will choose giong into shop . Other they will go shopping online because it is very handy . It takes not too much time . Therefore how we should buy anything to save and to content ? The answer will is : " shopping online is better than going into shops ".
