

Task 1: To: Nick From: NguyenLinh Date: Sunday 26th June, 2016 Hi Nick, I'm Linh - a student of highschool. I saw a notice about a concert at school. I'm very happy and want to join. I will answer the questrions. My favourite music is EDM. It is very exciting and attract people dance together. I can help the concert such as play tickets, recommend to people some information about the concert and guide them to the seat... I can be reach at all times to be able assist with the concert. I would be happy if I was joined. Thank you very much! Linh Task2: Nowadays, going to a fitness club to keep fit is very popular in life. I agree with this topic. Firstly, going to a fitness club, you will have your own instructor and you have to listen to the teaching of the guide.
