

Hi, Liz I'm Hien, your friendship. How are you? I want to you a trip zoo for me. Last week, I had a day went out with my class friends. We went Thu Le Zoo in Kim Ma street. There were many different animals as: tigers, bears, elephants, another.. I liked best bear, dislike tiger. Because tiger had sharp set of teeth and ferocious. We took a lot of good photograph on trip, everybody felt very happy and we came back home at 6 p.m. I hoped you early Viet Nam back, we would go travel, see you again. Love you Hien
