

Task 1: I'm glad you visit my country next month . Summer weather here is very hot so please bring comfortable clothes or dresses . I look forward to seeing you next month. Call me Hanh

Task 2: Actors who take on one or several roles in the film. They are going to learn the script, preparing, practicing and xuất.Van biggest performance of the actor is acting. When acting, they do not express the human, personality, their own actions. What they are human expression, personality, actions of characters in each film critic phim.Cac often said to be the film role of director or producer. However, in many cases, to the public, new actors are actors, the center of each film. The first reason is drag them to the movie theater with their favorite actor, followed by the subject of the film and the director is only the third reason. Therefore, a successful film need famous actors, subject of the film and the director
