

Task 1: Dear Paul, Thanks for your postcard I will go visit you by car. I will arrive at 6pm on Saturday. We shall play football, watch TV, go camping, go fishing and have a party together. Look forward to seeing you soon! Your friend, Hao

Task 2: The life is more growing, films are more modern. And one of them are the special effects in the films or movies. It's very important because it makes a successful film. Firstly, The special effects make the movie more interesting and impressive. For example, Without the special effect in a movie like "The Avenger", no one will watch that movie because it's so bad to describe the heroes such as Captain America, Iron Man or Hulk. Secondly, the special effect is one of standard of the movies award such as Oscar Awards or Golden Globe Awards. So, the filmmaker will try hard to create the films and movies which having best special effect to triumph those award. They are the most important awards with each one who taking part in the movie. After all, the special effects are very important with today', they are the one part of successful movie.
