

Task 1: I am very sad and sorry. Tomorrow night I can not go swimming because I have the same right to ban. Toi mother to visit her grandmother because she was sick. It's sad because he can not come with you. We will be meeting on a different day offline. Probably Friday next week, I will be scheduled. Nothing changes I will let you sau. Cam Thank you much. Task 2: Sometimes the busyness of life on us to make people become apathetic. However, in a certain moment, when you feel lonely, empty you see having a friend next to how much meaning. It was the understanding of your past, believes in your future and accept your current man. The existence of a friend is not always visible to the eye that is always felt with the heart. A quote about friendship that I loved "Friendship can overcome almost anything and development on barren land; but it needs a bit negative sometimes pay with letters and phone calls and small gifts to its silly not dead. ". Friendship is a sacred feelings, deserves our respect in every ta. No will forever be with you and never leave if you know to preserve, cherish it by feelings minh. Trong certain moments in life, you find a friend who is always there for you than. Do every time you need, is someone who can change your life even if it's only a very small part, who can share with you the joy of life and it is also a person can sit for hours just to advise you that real life door still not closed to you that it is waiting for you to open it so ra. Vi , hard times, you do not just fall because around you there are nhui friend and always willing to share with you pass. Sometimes close friends as well as the air around us, you need it to live and to love this life turnaround, who had such a deep sincere friendship as solid same boat to overcome all storms, waves during doi. Chac much we have yet to be forgotten friendship, intimate comradeship and attachment of the soldiers through the poem "Comrade" by the Huu. Ho are people from all over the country, but never knew the general ideals of national liberation from le. Ho slavery even closer together to share the difficulties of working time during the fight outside truong. Cung sports from which we deeply felt than the value of the ban. Hay trying to preserve and cherish importance to those feelings of you. Let us together wish for friendship with us forever and never fade no matter how stormy in this life, though sometimes separated places, though far from the sky you forever with me to share the sorrows and joys of friendship bridge song. Nguyen forever like the old times, we held hands kites watched how fragile dreams fly away ...
