

Task 1 Hi Sam, I have just received your email. You have just got a new music CD? Wow!! My favourite band is Beatles. Do you know them? I usually listen to their CDs when I'm free and I also listen "Yesterday". I like the band because of the evident reason that their songs are really good, their sounds are beauty. I think they are talent. What about you? What is your favourite band? Task 2 Some people said that "shopping online is better than going to shop". But I don't think so. I agree that shopping online have some advantages such as it's fast to buy, you can choose the clothes when you stay at home by Internet, you mustn't use any transportations to go to the shops,... But you don't know that by that advantages, there are some disadvantages such as the material is not you as you see on the Internet, you don't fit it because you can't try it,... You surf the Internet to buy a cloth possible but it's don't fit your body, shouldn't you? Because of that reasons, I think going into shops is better, you can buy the clothes more
