

Task 1: Dear Sam, Today, I am writing this to tell you about the new CD I bought. The CD is sung by singer Selena Gomez. Of all the songs on the CD, I like the song Love You Like Love Songs. I enjoyed listening to the music of Selena Gomez simply because I liked her style reviews. And I like listening to someone like, please write to me about his favorite songs offline. Bye My friend Trang

Task 2: Currently, we see that online shopping is a trend of young people. It has the advantage that we do not have to go from store to another store which sales not yet chosen a costume like that, but I just sat at home do not need to spend much effort and still choose the outfit satisfied his suit. But it also has the downside of shopping online is that one can only look at the clothes, the shoes, sandals through pictures without knowing the nature of the fabric, its specific shape how, whether the that is right for you or not? And there was a lot for which the journalist wrote that "online shopping disaster". And I'm sure that if you look at the image, he would not stop laughing, the clothes are very beautiful in the network and glitter, but it reaches new buyers are falling back to, the material is bad, form codes are not standardized as in the picture,... Therefore, shopping online is also very convenient for us but I still advise you if there is free time or go to the mall and choose the clothes, the shoes or wearing shoes that you go up people, it is right for you.
