

Task1: Hi Lan Thank you for helping me to meet my father for me at the railway station. He will arrive at the station at 6 p.m on Sunday He is tall and quiet skinny with short black hair. He will be wearing a red T-shirt and long blue jeans. He will bring a big brown suitcase. I think you can easily make him out. If you have something difficult, you can call me . See you soon at my house Love, Phuong Anh

Task2 : In my opinion, I think casual wear is better than formal wear. Firstly , I prefer casual wear because it requires less time to put on and has better mobility than formal wear. Formal wear requires constant needs such as ironing and dry cleaning. Casual wear can simply be washed and dried. Secondly, most people tend to wear casual clothing as they attend daily activities. Casual wear is usually easy to do different activities because it is not tight and flexible like formal wear. Everyone feels comfortable with casual wear. Last but not least, casual wear makes me more confident. I think wearing casual clothes makes me younger and beautiful. Casual wear is usually colorful and attractive. This is the reason why I prefer casual wear to formal wear
