You know that during last vacation , I and my parents went to visit the Thu Le zoo on Kim Ma street. After buying entrance ticket, we entered the zoo. The first, we saw the cages of monkeys. They were playing with visitors. Gradually, we saw many animals : tiger, elephant, lion ... I got a rare chance to ride an elephant in the zoo. The area of the zoo is so big that we got tired. Then we bought something to drink. We spent the whole day in the zoo and go home in the evening. Don't forget to write me. Love, Hang
