

Task1 Dear Ally, There is no problem that you could not come to my party because i knew that you were busy that day. In additon, i am really happy to receive your letter. My birthday is really my busy day. I woke up early to go to supermarker to purchase lots of thing like cuisine, bevarage, .. and so on. After that, i backed to home, swept the floor and decorated my room to make it more beautiful. Next, my mom and i began to cooking. My family and lots of my friend took part in my party. And i was given so much gifts. However, the gifts which i like the best is the book "Harry Potter" of my father. Do you think my party really is a festival? And the last one i want to do is go shopping with you. Would you like to go with me. See you soon My pleased. Dung Task2 In the face of rapid population growth as today, ideal house need to be large. It has featured prominently as the maximum saving of energy consumption in all forms that still facilitates comfort and maximum comfort for users.
