

Task 1: I would like to talk about a birthday celebration. My parents, John, Phuong, Trang and Thuy attended the birthday celebration. I was astonished when I saw my huge birthday cake. 18 candles of different colors were lit around the cake and the whole house was redecorated for the occasion. They sang the birthday song when I cut the cake. And they congratulated me and wished me a prosperous life ahead. Then we ate cake and had a good feast. Then, I got a guitar from my parents and a lego set from my friends. Task 2: I think an ideal house does not only need to be large. The house is the place where people retire and have lots of free time to enjoy every single second there. It will have to be in a peaceful neighbourhood, surrounded by a big garden with lots of flower-beds and birds singing. Inside there should be a comfortable living-room, with a large fireplace and a connection with the kitchen
