

1. Hi, Alex! I'm Trang, to day I write an email to you and answer your questions. I'm 18 years old. I have 1 sister, 1 young brother. My favorite hobby is lintening to music, playing game, chatting with friend, going to shopping... In the freetime, I often listen to music by phone because It make I fell happy, comfortable, with highly entertaining. I am so excited to have new penfriend. I hope we see each other soon be beyond life. Goodbye Alex, see you agian! 2. Society increasingly modern and developed. I believe in the future, the moon and space will be popular places to go on holiday. My family will hve astronaut trips and we choose the moon to resort. We will vissit many planet and see mysterious space of astronaut. The moon will have the beach, the moution, the recreation center by humans build. The means we use to move the flying saucer that is from aliens. The moon and space very noisy, crowded in the holiday. The service is very attentive, utility developed to meet the needs of customers. After this trip we will discover a lot of amazing here.
