

task1 hello Nhung This Friday I will be joined by his British friend walk in the park. you may find interesting? That day, I will wear a pink dress feminine and white flat shoes as simple as a walk to talk, so I think we just bring water and take a selfie machine. I think that day will be very happy there. bye Nhung. task2 People baits that do not play dropped school youth. but the school did not play Andrew future sale. that many young people are very playful and often traveling takes a lot of money. I think it's not bad, but ultimately is not too far. Time passes quickly, with the necessary things rather than traveling. although, traveled licghj help you relax and comfortable after the tired. but some young people traveling in the direction of negative and too extravagant for the trip. You drop me never traveled at all. if it goes well I chose a particularly cheap cost and I will go when I have free time really.
