

task 1: Dear Paul, How are you? I think you have a good weekend. I am vary glad when you invited me going to visit you at Saturday. It will be a happy day for us. I will go to your house by bus at 7 a.m, so I really want you can wait me at bus-stop. I think we will have lunch at home, then can go to the cinema in the afternoon, and in the evening we will have dinner at hue's food restaurant near your house. If you want to change something you can write to me. I am looking forward to hearing from you Ngoc

task 2: Movies today often have special effects, I think it makes the film become better and better. 20 years ago the film we often see only the mixed martial arts, or effects processor technology in the thumbnail image. But today we can have more vivid experience. 3D movies, 4D started rather slowly for the traditional martial arts film. Sound, image closer to the viewer, the viewer feels like to experience yourself. It truly is a miracle
