

Task 1: From: Thanh Tung To: Kim Dear Kim, Hello. Did you know the man i see last week? Oh, it's so amazing. I saw Cong Phuong (famous player in Vietnam) when i was in Ha Noi. That day, I walked around Hoan Kiem Lake suddenly i saw him in front of me. He was running. He was too fast so i couldn't talk to him. He looks healthy and energetic. When i watch him on TV, he play very well and spectators often cheered his name. At that time, i was so happy, I could see him in the flesh. I'm sure you also think so. WOW! I wish you were there with me. Bye my friend!
