

Task 1 Dear Mike ! I will have a party at the weekend. I plan to hold it in my house at 7pm. Would you like to come? It will be fun. Most people from our school will come. Can you bring some snacks and orange juice? My house is near our school, at 69 Tran Dang Ninh street I will very happy if you can come . With love, Huyen.

Task 2 I think that people working in offices should wear jeans and T-Shirts because jeans and T-Shirts are more comfortable to wear and its easy to wear when you are going late . Specially they are cheaper than other formal clothes .
