

Task 1: Dear Linh, Thanks for your question. I'm sorry because i am having time to answer you now. Ha Noi has a many zoos but which i like coming best is Thu Le zoo. It is located at Kim Ma street, near my primary school. I usually go with my mother and brother on Children's Day or Tet. It has a many animals; elephant, tiger, hippo , crocodile,... It has a many games, too. I like playing games in this very much. Do you visit to a zoo? If you went, can you tell me? Looking forward to receiving your message. Your friend, Huyen.

Task 2; Teenager has a many places to play nowadays so in my opinion, theme parks are not the best place for teenagers to play. Theme parks only has recreational propertises. But teenagers nowadays need a place not only recreational propertises but also educational.
