

task 1: At my birthday party yesterday, I blew the candles and eat cake gato with every body.. There were six people participants my party. I get many presents : a blue dress, a pencil box, a teddy bear, a book...v..v. When I meet you I will show them. Duong task 2; Very good if large house. But that isn't a sufficient condion to we are happy. We will take a lot times to clean the house. I think the house need many member in family. People care for each other. The large house but i living alone it will be lonely and sa.
