I am always free to come to a meeting about the concert. Do not hesitate to contact me via my email [thuhien@gmail.com](mailto:thuhien@gmail.com) or my telephone number 0966667936. I am looking forward to hearing from you. Best wishes, Thu Hien

Task 2: Going to a fitness club is not the best way to keep fit for three reasons. Firstly, it is very crowded and noisy in the fitness club. A lot of people come to the fitness club. Some people do not concentrate on doing exercise but they only take some photos to post to Facebook or talk to each other. Moreover, you can wait a long time for your turn to use some machines in the club. Secondly, it is very expensive to pay for the instructors in the club. You must spend a lot of money in paying monthly fee, at least 200,000 Vietnamese Dong per month. Finally, there are other ways to keep fit except going to a fitness club. You can go jogging or run around the lake or the park to breathe the fresh air. Furthermore, you can enjoy the beautiful sightseeing. You also do yoga at home. In conclusion, you can have other ways to keep fit and going to a fitness club is not the best way.
