

Part 1 Hi Alex, I'm glad to know you will visit me , you can come here anytime . Right now, here it was summer , the weather is quite hot , muggy . Sometimes , in the afternoon there are sudden thunderstorms . I think you should wear short clothes , cool , comfortable and long shirts when outside . You remember do not forget to bring a hat, umbrella and raincoat in case it rains .You come here and I will lead you out , make sure you will have a great time period . Hope to see you soon! Love, Nhung

Part 2 I think the success of a film depends on many factors . Actor is also an important factor but not the only one. To be a good movie , there must be a compelling script , talented writer . And the talented direction of the director , the help of the cinematographer , the scenes , the masses , particularly .... And rather than acting , enter the mind of the actor . Therefore , the success is also the general public to the efforts of many people .
