

Task 1 Dear Paul, I'm so happy because we will meet in the next few days. I will have a flight on Saturday morning and present at your house at 1.00pm. I think we will have a late lunch and then you will take me to the museum British Museum. And I want to visit park royal St. James and Buckingham Palace, too. On Sunday we going to Regent Street to buy souvenirs. Task 2 Every year, the movie industry earns huge profits from many kinds of films, especially the block-buster movies. These films attract millions of viewers because they have featured content and special effects. The development of science has made great filmmaking technology.
