

Dear John, Nice to hearing from you. I received your e-mail last Monday. How have you been doing now? Hope your family will be fine. Next Sunday, my father is going to come back home. However, at that time, i must to work far from our hometown. Can you be at the railway station to pick up him for me? I will decribe his appearance. He is about 50 year-old. He is quite tall and he has a brown short hair. In addition, he will wear a blue T-shirt and black jeans. He told he will arrive at there at 9 p.m. You should call him by his number phone: 098.*****88. Thank you for helping me. Best regard, A Task2 Everyone has their own fashion style and it expresses their characteristics and life style. For me, i prefer wearing casual style than formal style because of two main reasons. The first reason is casual style seems more suitable with my young age now. I am student, wearing formal clothes usually make me hard to fall in line with my friends or my classmates. F The second reason is i feel comfortable and active when wearing casual style
