

Task 1: Dear Jan! I haven't seen you for a long time. I miss you so much. Why don't we have a meet at the cinema? Tomorrow, ok? Let's meet at the theatre at seven o'clock. I want to see the film "Me before you". I'm sure that you will like it. This is romantic love story film. I sound that it's so great. I look forward to hearing from you. Love Hoa

Task 2: In modern life, TV plays a important role that brings us many other advantages. However, it has also some disadvantages, such as: affecting our health, having the serious problems, wasting much time. Firstly, watching TV too much makes bad effects on our health. Many children sit hours in front of TV instead of studying or helping their parents. Children not only become lazier but also gain weight easily. Moreover, it is harmful for eyes to cause the myopia. Besides, watching TV prevents us from playing sports, reading books and so on. Secondly, In fact, many people can watch TV the whole day but they don't fell bored. As a result, it is short way to kill time. Furthermore, people nowadays are addicted to television so it is attracting a number of viewers. In addition, wasting time on TV can't concentrate on our study. Thus, this will get bad result for studying. It is dangerous. If we don't know to watch TV reasonably. Finally, There are many serious problems in common as well as the family, such as : limiting people from talking to each other. this is evident because we are at home all day. We can't take care of our family because of watching TV. This will get more neglectful. Besides, people have a negative behavior after watching TV. Especially, many violent scenes on TV is interesting. They have the bed influence on our behavior. In conclusion, watching TV brings us some disadvantages like wasting much time , happening many serious problems and being harmful for us. However, TV is very good, If we know to use TV usefully for our life
