

Task 1 Dear Alex. I feel very happy because you will visit my country next month and i can see you. My country is very beautiful. You don't worry because the weather here is pleasant. You only bring a few thin clothes, a pair of sunglasses and a hat because now is the summer. I hope see you soon. Vu Thi Thanh Thu. Task 2 In my opinion, a successful film not only needs famous actors but also needs many other things. Because, success always start from the smallest things. Good director, good film, good script,... and the most important this is harmony among people in the crew
