

task1 : Hello Van Anh, Do you know? i saw Erik singer in last night. he is well-know as young talent singer. this is the first time i was met famous person in National Economics University. if you were here, i am sure you would be happy. he is verry handsome. i felt interesting. everyone danced with the sing of melodies. If there have the next chance, i and you will go to watch together. Bye!

task2: Making phone calls is the best way of communicating for the following reasons. the first, it help us connect with my friend in everywhere. we do not meet but still talk about daily things. we can share everything such as some secret, a funny story, ect. besides, making phone calls can save time. it won not lost time moving from this place to that place. instead of this we can do need. furthermore, communicating through telephone is cheap. it can save your money and you can give to bank. you can also raise money for poor children. they need your help. last but not least, making phone calls will become the best popular way of communicating in future. everybody is really happy because they will feel closer. in short, making phone calls is vital way to people.
