

Task1: Hi Linh, Let's meet at the restaurant at 8 pm. Spaghetti in a restaurant that was delicious. We also can eat chicken, fish or some other. We may eat fruit desserts, ice cream or cake. We'll talk to each other about what they have interesting experience. In the restaurant parking garage and you can be there. We will have an interesting evening. See you soon at the restaurant. Love, Trang. Task 2: Travelling alone gives us a lot of benefits that we can become more independent in life, discover even more beauty, etc ... When we travel alone we have to experience the experience that can only go alone we encountered. Unlike touring when traveling alone we have time better understanding about where we go exploring. Travelling alone is also a way for us to relax after the stresses of life. Lifestyle changes will help us more comfortable, reduce stress.
