

Task 1: Hello, how are you? I'm Hang, your english friend. About next friday, I wonder can we walk in the park? I'm going to wear a lovely dress, and I think after walking, we can eat something like snack, so please bring some. Can't wait to see you next friday. Love, Hang. Task 2: Is that true that traveling is waste time and money? No, I don't think so. Traveling is one of the best thing must do in your life. It makes you happy, feel relax. If you can make a perfect plant for your holiday, it doesn't expensive. You can experience many traditional of the city you visited. You can eat so many delicious foods. Also you can have new friends, have a great time. Traveling is a wonderfull things yoy must do it for yourself, to make you happy, remove pressure. I think traveling is great and amazing.
