

task1: To: Paul From: haladdy1997@gmail.com Date: 26/06/2016 Subject: My plan on visiting you on Saturday Dear Paul, I am writing to reply your previous letter. By the way, I will tell you about my plan. The exact time is next Saturday. I am going to ride my own motorbike and it may takes about 3 hours to get there. However, my mother said that I should get on a public transport for cheaper, safer and faster. Therefore, I may reach your house at about 10 AM. In addition, you will certainly be surprised at my special gift for you. Then, I think we will talk about each other much more. I will tell you about my job recently. In the next morning, travelling to somewhere famous there is really a great ideas. Otherwise, we shall go to the cinema and see ''The Conjuring 2",etc.v.v.v... Now I am very excited to wait for those days. I wonder if you can go to the nearest station and pick me up. Many thanks. Yours sincerely, Thu Ha Thach Xa,Thach That,Ha Noi task2: Nowadays, people have a tendency to see film for entertainment. Of course, the special effects on people is the best thing about today's films. Firstly, a film brings us at least an experience. The main reason is that film is made based on real scenes of life, so seeing film is seeing another's life though a screen. In addition,the dialogues on the films are always chosen carefully and politely. That makes it possible for the viewers to improve their vocabulary. Moreover, with many kinds of film, the viewers would broaden the knowledge of their favorite aspect: music,business,detectives,etc.v.v.v.. Secondly,the actors or actresses on the films are one of the most attractions to the audiences. A recent research shows that people prefer their favorite actor's film. It attracts them the most. Furthermore, that film also have effects on viewers much more. For example, if Song Joong Ki is the idol of you, you must have seen "Descendants of the Sun" and you must have been very interested in their clothes, their trend and sometimes you intend to follow all of those. In conclusion, a very successful film is the one that affects the viewers the most.
